

L4 MMP**ADVANCED ARTISTIC DRAWING****HOMEWORK**

1. Analyze how observation, theme, emotion, composition, and symbolism work together to clearly communicate subject matter in an artistic drawing.
2. Examine the differences between portraiture, landscape, still life, abstract, and narrative drawing, and analyze how each category influences compositional decisions.
3. Analyze how the elements of art (line, shape, form, space, value, color, texture) contribute to the clarity and emphasis of the subject matter in a drawing.
4. Analyze the role of balance and contrast in guiding the viewer's attention toward the focal point of a composition.
5. Compare raster, vector, and CAD drawing formats and analyze their suitability for different types of artistic and technical drawings.
