BUSINESS PLAN

PREPERED BY: KARANGWA AIMABLE

Q1) Explain the following terms used in business plan

- a) business plan
- b) market analysis
- c) financial plan
- d) PESTEL
- e) production plan

Q2) Analyzing the business environment in accordance with an identified business idea is a critical step in the process of developing and launching a successful venture. Here, I will provide a general framework for conducting a business environment analysis, followed by some specific considerations based on your identified business idea (which you haven't mentioned, so I will provide a general analysis) Explain the component of business plan with examples

3) you are leading a professional development workshop for a group of passionate educators from a diverse school district. The goal is to help them collaboratively create mission and vision statements that reflect the values and aspirations of their school community. As you begin the workshop, you notice that the educators are eager but somewhat uncertain about where to start.

**4) WRITE ALL CONTENT OF UNIT 4 BUSINESS PLAN FOR AN ENTREPRISE IN YOUR NOTE BOOK I LEFT COPY TO THE CLASS MONITORS AND WARDA HAS THE COPY YOU CAN REACH OUT TO HER PLACE**
